

Advocate Medical Group

Advocate Medical Group (AMG), a large, multi-specialty group located in Chicago, Illinois with over 750 physicians, and part of the greater Advocate Health Care system, announces its search for additional Pediatric Hospitalists. In response to needs expressed by community based physicians. AMG, in collaboration with Wheaton Franciscan System, is currently forming a new Pediatric Hospitalist service at Wheaton Franciscan Healthcare-*All Saints* located in Racine, Wisconsin.

Wheaton Franciscan Healthcare-All Saints is an innovative, not-for-profit healthcare provider and fully JCAHO accredited 350 licensed bed hospital. Wheaton Franciscan System is an integrated healthcare delivery system serving the residents of the Racine and Southeastern Wisconsin area.

This unique opportunity will allow physicians to have a close association with Advocate Lutheran General Children's Hospital and collaborate in a network of community and academic pediatric hospitalist sites.

Responsibilities include but are not limited to:

Coverage of inpatient pediatric ward
Serve as liaison to private attending staff
Level IIIA-NICU coverage with full Neonatology backup
ED consultations

Inquiries from 2010 residents will gladly be accepted.

- Full time placements start at 84, 24-hour in-house calls per year.
- Full and part-time positions will be considered.
- Both Wisconsin and Illinois licensure is required for cross-coverage at Advocate Good Shepherd Hospital, in Barrington, IL.
- Training and orientation will also be conducted at Good Shepherd Hospital.
- These positions offer competitive compensation and a generous benefits package.

Located on the shores of Lake Michigan, Racine is ideally situated 25 miles south of Milwaukee and 65 miles north of Chicago. Interested applicants who are BE/BC in pediatrics should send CV and cover letter via e-mail to:
