

## **Facility Information**

### **The Wisconsin Heart Hospital**

10000 West Blue Mound Road

Wauwatosa, WI 53226

414-778-7800

The Wisconsin Heart Hospital offers a wide range of inpatient, outpatient, emergency, interventional cardiology and surgical services. Our expert Physicians and Staff provide state-of-the-art, compassionate cardiovascular care that is truly patient focused. Our acuity adaptive model allows patients to remain in the same room through out their hospital stay. We provide the appropriate level of care by adapting the equipment and staffing ratios to the needs of the patient without transferring them to another unit in the hospital.

### **Prior to Clinical**

If new to The Wisconsin Heart Hospital, instructors will need to contact Stacey Kinchen, Patient Care Supervisor, at 414-778-7570 at least 2 weeks prior to beginning the clinical rotation.

### **ID Badges**

School ID badges are acceptable. Identification badges must be worn at all times.

### **Computer Access**

Computer access is not available to students. Instructors will receive computer IDs and access as appropriate.
